6th annual Toby McCredie Charity Golf Day – 18th October 2011

Woodlands Golf Club, White Street, Mordialloc

Tee Off for Toby

It's with pleasure that Tim, Penny, Jake and Lachlan McCredie invite you to attend the 6th annual Toby McCredie Golf Day supporting **Very Special Kids**.

In January 2006, our son Toby suffered severe brain damage. As a result, Toby passed away on February 23, 2006, 8 days after his 1st birthday.

Currently, along with our family, Very Special Kids supports more than 850 families across Victoria throughout their experience of caring for children with life-threatening illnesses from diagnosis to bereavement. Such illnesses include a range of neuro-degenerative, genetic and rare conditions, muscular dystrophy and cancer. Many of these children will not reach adulthood.

The services provided include individual and family counselling, sibling programs, bereavement counselling and support & trained Family Support Volunteers. In addition, there is Very Special Kids House – Australia's first and Victoria's only hospice for children, which offers planned and emergency respite and end-of-life care.

Very Special Kids vision is for all families to be able access these services free-of-charge.

Unfortunately whilst we have to accept there is nothing we can do to influence the length of time our 'very special children' are with us, there is much we can do to improve the quality of that time, for them and their families.

Andrew Penn, VSK – Chairman
